

Early Childhood Programs (ECP) Behavior Specialist – Marshalltown

We're looking for a professional with expertise in supporting children with challenging behavior. The behavior specialist is responsible for individual child plans related to persistent challenging behavior or other persistent social/emotional concerns for the Early Childhood Programs. Responsible for professional development related to each individual child plan to support implementation. Partner with ECP mentors to ensure coordination of services and plans that will result in positive child outcomes and staff who excel. Will provide services throughout our five county area. **Casual position working hours as needed. \$23.24 per hour.**

Required:

- Bachelor's degree in Early Childhood Education/Child Development **OR** related degree with Early Childhood/Child Development endorsement
- Documented expertise in support for children with challenging behavior

Preferred: At least two years' experience teaching children ages birth to five

Closing Date: Open until filled
