

EMBRACE IOWA

SHARE WITH IOWANS IN NEED

The Embrace Iowa campaign has been providing to Iowans in need for more than 27 years. While countless programs during the holiday season provide gifts or food for those in need, Embrace Iowa reaches out to meet essential needs such as medicine, beds, appliances, car repairs and utility assistance.

Funds raised through Embrace Iowa are distributed to Iowa's 17 Community Action Agencies, a network of local agencies committed to assisting low-income Iowans in their struggle to become self-sufficient.

You can give with confidence knowing that your tax-deductible donation goes to Iowans in need. A letter will be mailed for tax purposes.
