

## **Infant Toddler Development Specialist – Marshall County**

We're looking for people with a passion for early childhood education to partner with parents of children from birth to age three enrolled in our home-based Early Head Start Program in Marshall County. The priority will be families affected by the Marshalltown tornado. Work with parents in their homes and help them write goals for their child based on his/her individual needs, interests and learning styles. Plan and facilitate socializations – opportunities for children and parents to interact with one another in group settings. **Full time temporary position funded through fall of 2020. Ongoing professional development opportunities and an excellent benefit package. \$15.14 - \$19.85 based on education and experience.**

### **Education & Experience:**

#### **Education:**

- Bachelor's Degree in Early Childhood Education or Child Development (classified as Infant Toddler Development Specialist 3)
- Bachelor's degree in Human Services or related field (classified as Infant Toddler Development Specialist 2)

#### **Will Consider:**

- Associate's degree in Early Childhood Education, Human Services or related field (or equivalent coursework) with a minimum of 2 years of relevant experience (classified as Infant Toddler Development Specialist 1)

### **Preferred skills and experience:**

- Home visiting and/or experience working with children 0-5 years old
- Bilingual English/Spanish

**Closing Date:** Open until filled

**NOTE:** Full-time employees may be eligible for a Federal Perkins Loan Forgiveness Program or Public Service Federal Student Loan Forgiveness Program.
