

## **Maternal, Child and Adolescent Health/EPSTD Coordinator – Marshalltown, IA**

Are you an inspiring, compassionate, adaptive leader? Do you want to help children and families improve their health? If the answer is yes, you may be the person we're looking for to fill this position in our health services department. The position provides coordination and administration for the Maternal, Child and Adolescent Health (MCAH) Program; acts as a community liaison to other community and health organizations; identifies, plans and provides for maternal, child and adolescent health needs in geographic area and assures compliance to contract action plan and costing. This position investigates new or innovative program opportunities to respond to the health needs of the families served, the changes in health care delivery and assists in applying for available funding. Provides direct services to participants as needed; performs related work as required including needs assessment and other state requirements. Supervises Child Health and Maternal Health RNs and LPNs.

**We provide ongoing professional development and an excellent benefit package. Full-time hourly position, 40 hours per week, \$30.00 per hour.**

**Required:**

- Current license as a registered nurse (RN) with a bachelor's degree in any field
- Minimum of six months of experience in health or human services

**Preferred:** Experience in community or public health

**Closing Date:** Open until filled

**NOTE:** Full-time employees may be eligible for the Federal Perkins Loan Forgiveness Program or Public Service Federal Student Loan Forgiveness Program.
