

Weatherization Auditor - Marshalltown

This position works with the Weatherization department to help make a difference in the lives of families by lowering their energy bills and helping them live in safe, energy-efficient homes. Responsible for inspecting and analyzing residential building envelope, HVAC systems, heating systems, electrical, plumbing and all other aspects of building characteristics with an emphasis on energy conservation. Preparing necessary work orders related to energy audits. Computer proficiency, including familiarity with Microsoft Office products (Access, Word, Excel, Outlook) is helpful. Experience in residential energy, education, and construction highly desirable. **Full time, year round position. Work 10 hour days, Monday through Thursday. \$17.65 per hour, with an excellent benefit package.**

Education & Experience:

Required:

- High school diploma or equivalent
- Valid driver's license and insurance

Preferred:

- 4 years of carpentry or construction-related work

Closing Date: Until Filled
