

New Opportunities has recently been awarded the Family Development and Self-Sufficiency (FaDSS) grant and has an opening for two FaDSS Specialists! The FaDSS Specialists will provide a comprehensive system of support that empowers and nurtures families towards self-sufficiency while building strong relationships.

Two full-time, year-round positions will be based in 2 of our 6 counties the grant provides services in (Audubon, Boone, Carroll, Dallas, Greene, and Guthrie). The Family Development Specialists are required to meet with program participants in the participant's home. Ideal candidates should be organized and proficient in the ability to interpret rules and regulations as they pertain to programs that are directed at low-income families.

Proficiency with computer and web-based programs required.

Prefer bachelor's degree with 1 year working in the health, human services or education field OR an associate's degree with 2 years' experience working in the health, human services or education field. Must obtain

Family Development Specialist Certification Training within 1 year of hire.

Travel, valid driver's license, and auto liability insurance is

required. Benefits include Health, dental and life insurance, paid holidays, vacation/sick pay, & IPERS.
