

No experience necessary. We will provide training for the right person! The Problem Gambling Outreach Clinician will immerse themselves in our 5-county area, reaching communities with information about responsible gambling and engaging appropriate individuals in Problem Gambling services. The Problem Gambling Outreach Clinician position also includes Problem Gambling clinical services to include evaluation, assessment, referral, group facilitation, individual/family counseling, and case management as needed within Audubon, Carroll, Greene, Guthrie, and Sac Counties.

Travel Required. Excellent benefit package including IPERS. Apply online at www.newopp.org EOE AD#2205
