

ICAA Member Agencies (Iowa Community Action Association)

We are comprised of 16 agencies serving all 99 counties in Iowa. Our member agencies all embrace a similar mission—together, we continuously aim to create sustainable opportunities and provide valuable resources for Iowans. Today, we continue to grow our mission, develop new services and help people to realize a greater sense of self sufficiency. Our agencies are here to help individuals and families in need. Most of all, our agencies are here to serve you and help build stronger, thriving communities all across Iowa.
