

# IOWA COMMUNITY ACTION ASSOCIATION

---

Iowa Community Action Association's mission is to educate, advocate for, and connect Community Action Agencies to amplify a unified voice in service of Iowans facing economic hardship. This Network of **sixteen (16) agencies** assists hard-working families experiencing economic difficulty and provides a **path toward self-sufficiency**. Community Action does this through a wide range of services, ranging from **emergency support** in a crisis to **innovative strategies** such as two-generation case management. **We are the front door for many families seeking help**, from infants to members of the greatest generation and everyone in between. Our **local boards** comprise people who have experienced poverty, **local government** representatives, and private citizens including **business owners** and **faith leaders**.

We aim to empower aspirational working families across Iowa's 99 counties.
